The Muzrai Superintendent

Bangalore.

Sir,

I beg to inform you that the Anathalaya at Mysore has been receiving a grant of Rs. 100/- per month. In August 1919 an additional grant of Rs. 50/- a month was sanctioned temporarily for a period of 6 months from the 1st July 1919. On representation by the Committee of the Anathalaya that owing to the high prices of foodstuffs they were unable to maintain the Alaya. In December last the Committee found that high prices still ruled and they prayed for continuance of the additional grant till the end of 1920. They were pleased to direct the continuance of the additional grant of Rs. 50/- a month till the end of this month. High prices still rule. The Committee finds that it is unable to meet the demands of the Alaya

There are 63 orphans in the Alaya. Eleven out of twelve orphans passed the S.S.L.C. Examination, one appeared and passed the B.A Degree and four secured passes in the L.S. Examinations. The Committee has been trying to do its best to make the orphans good citizens and most loyal subjects. The committee will be highly indebted to you and the Government if how kindly obtain sanction for the continuance of the additional grant till the prices become normal.

I have the honour to remain

Sir,

I beg to inform you that the Government were pleased to sanction a grant-in-aid of Rs. 50/- a month to the Anathalaya at Mysore as per D. O. No. FL 4400-1-G. F. 254-04-2 dated 16th January 1905. The Committee represented to the Government on the 23rd December 1913 and on 1st May 1915 that the number of inmates in the institution had more than doubled and that the cost of feeding, clothing and educating this large number had increased considerably. They prayed the Government that the monthly grant of Rs. 50/- a month might be increased to Rs. 100/- a month. The Government were pleased to order in their proceedings No 380-4 / Muzrai 307-13-4 dated 2nd August 1915 that the existing grant was fixed ten years before, that the number of orphans on the roll of the Anathalaya was only 17 when the first grant was given, that since the Orphanage had extended its usefulness, that since there were 50 inmates on its roll, ten of them being maintained from the endowment of the late Mr. Mirle Krishnappa and that since 40 orphans were being maintained by the funds of the Anathalaya, Government considered that the existing grant of Rs. 50/- a month was not adequate to its needs, and they were pleased to enhance it to Rs. 100/- a month, the charge having been ordered to be met from the State Revenue as before.

I beg to inform you that the strength of the Orphanage is now 63. Ten of these orphans are being maintained by the Late Mirle Krishnappa's Charities. The 53 orphans are maintained by the help of the Government. Further I beg to in-

form you that in raising the grant to Rs. 100/- a month the Governemht were pleased to state that the enhanced grant will be in force for a term of five years from the first of July 1915. This term will expire by the end of this month. I beg to inform you that the managing committee have taken the greatest trouble to give boarding, lodging and education to 63 orphans in these hard days. They most respectfully beg that you will kindly represent these mattersto the Government and make the enhanced grant a permanent one, for which act of kindness the Managing Committee will, as in duty bound, ever pray.

As regards the results of the various Examinations eleven out of twelve orphans passed the S.S.L.C Examination. One of these orphans had appeared for the B.A. and he passed, and four have passed the L.S. Examination.
